

Program Roll-Out Guidelines:

CALIFORNIA

California does not require responsible alcohol service training for licensees or their employees. The ServSafe Alcohol™ Program is approved for use in California.

Mitigating benefit: Lower penalties may be given in individual cases at the director's discretion if a licensee can provide documentation of training of the licensee and employees. A penalty guideline is located at: <http://www.abc.ca.gov/bp/Penalty%20Guidelines.pdf>.
