

ServSafe Alcohol Program Roll-Out Guidelines:

Arizona

Responsible alcohol service training for **servers** is voluntary in Arizona and both the classroom and online versions of ServSafe Alcohol can be used.

Owners, agents, and managers actively involved in the day-to-day operations of the business are required to have both basic and manager training to meet Arizona's Title 4 requirements.

ServSafe Alcohol classroom training teaches the fundamentals of responsible alcohol service in a 3-hour interactive course that satisfies Arizona's Title 4 Basic requirement. If ServSafe primary is being used to meet the BASIC Title 4 training, then it must be delivered by the Arizona Restaurant Association
