

# NOROVIRUS

## RESPONSE

Simple steps to keep you safe

- 1. Report** any suspected incidents to management
- 2. Send home** infected individuals and direct them to stay home for **48 hours** after symptoms end
- 3. Use** appropriate personal protective equipment (PPE) 
- 4. Secure** the area
- 5. Discard** any food items that may have been contaminated 
- 6. Clean** contaminated area following appropriate biohazard protocol; follow warewashing standards for contaminated ware 
- 7. Carefully handle** contaminated clothing and linen. Have items thoroughly washed at the maximum available cycle length and machine dry
- 8. Disinfect** "high-touch" surfaces 
- 9. Carefully** remove and discard PPE following biohazard procedures 
- 10. Change into clean clothes** and **wash hands** thoroughly before reentering the area
