

ServSafe® Examination Administration Handbook

Revised July 2, 2018

About This Handbook

This handbook will guide you through the administration of the ServSafe® Food Protection Manager Certification Examination and help you understand your role and responsibilities as an instructor and/or proctor. It outlines the policies and procedures for successful exam administration. It also includes useful step-by-step guides.

The goal of these policies and procedures is to give all examinees the same opportunity to demonstrate their abilities, and prevent examinees from gaining an unfair advantage.

Your role in administering the exam helps ensure the highest degree of integrity for the entire testing process and allows examinees to perform to their maximum level of capability.

The ServSafe program is recognized and accepted by more federal, state and local jurisdictions than any other food safety program. The ServSafe Food Protection Manager Certification Exam is secure, copyrighted, and developed independently of ServSafe training materials.

This handbook, along with the documents referenced within it, are available on ServSafe.com under the Instructors/Proctors Support Materials tab.

About the ServSafe® Food Protection Manager Certification Examination

The ServSafe® exam is secure, copyrighted, and developed independently of ServSafe training materials. It adheres to all valid test development criteria. Exam questions are rotated on a scheduled basis to reflect the most updated food safety information. Although the questions will vary from exam to exam, they provide a fair assessment of examinees' knowledge. Exam questions are developed using a systematic process to pilot questions to check their accuracy, relevance, technical quality, and readability.

Exam Security

Definition and Responsibility

Exam security refers to protecting the exam, related processes, and persons from any operational risks associated with the development, publication, storage, transfer and administration of the exam.

Exam security is the responsibility of everyone involved in and impacted by the exam process. This includes, but is not limited to, the participants below.

- National Restaurant Association
- American National Standards Institute (ANSI), Conference for Food Protection (CFP), other CFP exam providers
- Subject matter experts
- Vendors (printing, data destruction, service providers)
- Instructors
- Proctors
- Course and exam sponsoring organizations
- Employers
- Regulatory, law enforcement, and government agencies
- The public

Responsibilities for Instructors and Proctors

Please read the following policies and procedures you will be required to follow as a Registered ServSafe® Proctor or Certified ServSafe® Instructor and Registered ServSafe® Examination Proctor (dual role).

- Follow the examination administration guidelines in this handbook (including how to handle exam irregularities and accommodations), and stay current with changes to procedures.
- Organize and administer all exam location activities and procedures to ensure secure, standardized examination administration.
- Maintain exam security by reporting security breaches and cooperating with any security-related inquiries.
- Return all appropriate exam materials within two business days from the date of the exam or grade the online exam immediately after the last examinee is done. A print exam can be rescheduled within 30 days from the original exam date. (Note: For print ServSafe Food Protection Manager Certification Exams, use the prepaid shipping label and enclosed packaging [if fewer than 50 exams] when returning exams.)
- Ensure there is one registered proctor per every 35 examinees and/or per exam room (when more than one exam room is needed).
- We do not allow proctors to monitor the exam remotely via web applications (i.e. Skype, Google Hangouts, etc.) and Exams taken in this way are not valid at this time. Exam proctors must be physically present in the room during exam administration.

- Identify each examinee accurately to prevent a situation in which someone may attempt to take the exam on someone else's behalf. See page 13 *Examinee Check In* for more details.
- Maintain documentation on conformance of exam location to the National Restaurant Association (the Association) standards and complete the *Exam Location Standard* form with each exam request.
- Conduct examination administration in accordance with all requirements set by state/local regulatory authorities. The Association's regulatory requirements database, located on **ServSafe.com** under the Regulatory Information tab, provides updated information regarding requirements for every state.
- Treat all examinees in a fair and equitable manner.
- Train/supervise assistant proctor(s) and assure their availability in the event the primary proctor must leave the exam room for any reason. A Registered ServSafe Proctor or a Certified ServSafe Instructor and Registered ServSafe Examination Proctor (dual role) must be present during the examination administration process at all times.

Assistant exam proctors are responsible for observing examinee behaviors and assisting with the exam administration duties. An assistant exam proctor must be a Registered ServSafe Proctor and should be present when:

- Testing more than 35 examinees
- There is more than one exam room
- The primary exam proctor leaves the room for any reason

Both primary proctors and assistant proctors are expected to ensure the integrity of the exam by **not** doing the following practices:

- Do not review, discuss, copy, publish or keep any ServSafe Food Protection Manager Certification Exam.
- Do not create an answer key or share any information, including actual exam questions/answers, with anyone at any time, especially examinees.
- Do not administer the exam to yourself or anyone who might pose a conflict of interest (e.g., a relative) or an exam security risk.
- Do not construct answer keys for your own use, grade exams yourself, make copies of the answer portion of the *Examination Answer Sheet*, or print any screens from the online exam.
- Do not use information gleaned from an exam to teach a course. Exams are for examinee testing use only!
- Do not falsify or tamper with *Examination Answer Sheets*, exam booklets, scores, results or certifications.
- Do not leave exam materials unattended or outside a secured storage area.
- Do not split a class over two different exam dates, or allow examinees to come in the test exam session after it has begun.
- Do not submit copied ServSafe answer sheets.

Verifying Training Hours

The Association does not print students' hours of training onto their ServSafe Food Protection Manager Certification. If you are a Certified ServSafe Instructor in a state or within a local jurisdiction that requires the student provide proof of training hours attended; you, as the instructor, will be responsible for providing that information to the state by completing an *Hours of Training Form*. This simple form will allow you to input the student's name and number of classroom hours attended, which will meet the requirements of that state or local jurisdiction. This form can be found on **ServSafe.com** under the Instructors/Proctors tab.

Examinee Test Use Agreement

In order to take the ServSafe Manager exam and/or receive certification, examinees are required to read and agree to the conditions set forth by the *Examinee Test Use Agreement* on the cover of their exam envelope or preceding the online exam. A copy of the *Examinee Test Use Agreement* is provided in **Appendix A**.

The *Examinee Test Use Agreement* is a contract between the examinee and National Restaurant Association Solutions (NRA Solutions) concerning certain responsibilities of the examinee and NRA Solutions. The *Examinee Test Use Agreement* provides examinees the opportunity to review and accept or reject the terms that govern the purpose, use and content of exams, and consequences of misuse of exam contents, prior to taking the exam. Among other provisions, the *Examinee Test Use Agreement* contains guidelines related to the exam purpose, retesting options, recertification policies, repercussions for cheating, appeal and research options, instructor or proctor responsibilities, confidentiality and privacy (related to the examinee), and reproduction of any or all of the exam.

Examinees may indicate their DISAGREEMENT with the terms and conditions of the *Examinee Test Use Agreement* by returning the sealed exam packet to the proctor. A *Test Use Agreement Refund Form* must be submitted in order to receive a full refund for an exam answer sheet or an exam access code purchased through the Association. The form must be submitted along with the examinee's unused exam answer sheet or unused exam access code. The proctor must note the exam session number on the exam answer sheet or exam access code and sign it.

Security Violations

Any incident perceived to damage the security of the exam will be investigated by the association. This includes, but is not limited to, the situations listed below:

- Theft of exams, exam content, and other confidential information
- Distribution or sale of exam content and other confidential information
- Exam fraud, cheating, or falsification of certification
- Hacking into exam item banks
- Assisting or taking the exam for an examinee
- Lack of test security before, during, or after exam administration
- Misrepresentation of identity
- Failure to follow the procedures in this handbook
- Submission of counterfeit answer sheets

Investigations are typically launched within five business days of notification of an alleged violation. Resolution of investigations typically occurs within 30 days or less. If issues arise during the course of an investigation, it may take longer.

During the course of an investigation, the Association has the right to suspend class scoring, as well as exam proctor and course instructor privileges. Exam proctors, course instructors, class sponsors and examinees who are notified of an investigation are expected to expediently and honestly cooperate with all requests for information.

The Association reserves the right to revoke an examinee's certification based on any action that compromises the validity, reliability, security, or integrity of the Association's certification examination programs. The Association reserves the right to conduct announced or unannounced audits of ServSafe classes and examination administrations. The Association has the right to issue warnings, institute probation, or revoke instructor and/or proctor privileges, based upon the outcome of an investigation and/or at will.

Appeals Policy

National Restaurant Association reserves the right to revoke an examinee's certification based on any security violation that severely compromises the validity, reliability, security, or integrity of the National Restaurant Association certification examination programs.

Any examinee who is denied eligibility to sit for the exam, denied accommodation, failed the exam, had an exam terminated due to cheating, has had a certificate revoked, or any instructor/proctor wishing to appeal an action resulting from an investigation may appeal the decision by submitting an *Appeal Request Form* within 30 days of the initial incident. The Association will review and render a decision within 30 days of receipt of the form. This decision is final.

Upon receipt of the appeal, the Service Center forwards the request with all prior documentation (if any) to the Accreditation team for review. Accreditation will escalate the concern to the Certification Governing Board, Oversight Committee, or Appeals Council to make a final decision on the appeal within 30 days of receipt of the written request. This final decision will be communicated in writing, via traceable mail, to the individual who submitted the appeal within 10 days of rendering the decision.

The Accreditation Department and Practices

The Accreditation Department

As an instructor or proctor, you are not alone in maintaining and monitoring the level of exam security involved in the administration of the ServSafe Food Protection Manager Examination. The Accreditation department is available to assist you with any issues you feel may threaten the security or integrity of the exam.

You can reach the Accreditation Department at ExamSecurity@restaurant.org or call 888.291.6462 for the Exam Security Hotline.

Data Forensics

The Accreditation department regularly analyzes data collected from exams, looking for any irregularities that may indicate a lack of exam security, test fraud, or cheating. Exam data is also used to determine whether or not such policies as the exam retest policy are being adhered to. Exam sessions that are identified as potential sources of concern are subject to investigation, suspension, revocation of results/certification and/or revocation of instructor/proctor status.

Data Forensics Reports have been very effective in conclusively identifying collusion and cheating. Hence, instructor/proctors that are listed as high risk proctors for multiple quarters with a high number of irregularities on Data Forensics Reports will have their instructor/proctor privileges immediately revoked. This is due to numerous investigations and unannounced audits that showed that high risk proctors identified on data forensics reports are consistently in violation of exam security requirements.

Audits

An audit (announced or unannounced) may be scheduled by the Accreditation department at anytime. Audits allow the Association to ensure that exam security standards are being met and evaluate the overall performance of an instructor, proctor, or sponsor organization's examination administration practices.

Once the results have been reviewed and the audit is complete, the Association will share its findings with the instructor, proctor, or sponsor organization. The Association will then work with them to improve any areas they may be having difficulty with or help them maintain any areas in which they already excel.

Exam Location Standards

Locations must conform to all federal/state/local legal requirements for safety, health, and accessibility for all qualified candidates. All exam requests must be accompanied by an *Exam Location Standard Form*. This form will provide additional information about exam location standards and how exam locations will be audited for conformance to the standards listed below. These standards are intended to ensure that examinees have an equal opportunity for success on the examination based on the quality of the exam location environment. Failure to comply with these standards is grounds for suspension, revocation of results/certification, and/or revocation of instructor/proctor status. Keep documentation on file about locations and the conformance of the location to the following standards.

Physical Facility

- Permits all examinees to perform to their highest level of ability.
- Adheres to fire, safety, building (including codes regarding smoking), and occupancy codes in the local jurisdiction.
- Meets all state and/or local regulatory requirements for exam administration.
- Offers adequate lighting, heating, cooling, ventilation, writing surfaces, and seating.
- Acoustics allow examinees to hear instructions clearly.
- Accessible for examinees with disabilities (e.g., wheelchair accessibility).
- Offers the ability to monitor the examinees and the exam booklets at all times.
- Allows sufficient spacing between each examinee in actual testing area, or other appropriate and effective methods to prevent any examinee from viewing another's responses.
- Online exam only: A computer with Internet access, mouse, and keyboard is available for each examinee. Not required but recommended is a printer connection for providing printed pass/fail information upon exam completion.
- Location is private to proctor and examinees only during examination administration.

Visibility

- Print based only: The following information (available on the *Exam Information Form*) must be posted in a visible area of the exam location: exam session number, four-digit exam form number(s), and language of the exam (if applicable). Information on how examinees can obtain their results and print their certificates will be included in each exam packet. A copy of this information is provided in **Appendix H**.

Have Available

- This handbook on your exam date for easy reference.
- Online exam only: Proctor access code is available in a secure place, which only the exam proctor can access.
- Blank Answer Sheets or exam access codes: Answer Sheets are not included in the Examination Booklets.

Not Allowed

- Charts, posters, or other materials that might be sources for exam answers.
- Bags/purses, books, papers, pagers, cell phones, and any electronic device that can be used to capture/record exam content. In the event an examinee brings any of these items to the exam location, they must be collected prior to the examination administration and placed in a location that prohibits their use during testing and are inaccessible even if the examinee needs to temporarily leave the exam location (e.g., restroom breaks).

Exam Accommodations and Irregularities

Exam Accommodations: Identifying Examinees with Special Needs

All proctors should be notified of any accommodation requests for a special-needs examinee prior to the exam date in order to obtain approval from the Association and to prepare for the accommodation. The examinee is responsible for submitting all requests for exam accommodation or foreign language interpretation to the Association. If, at the time of the exam, an examinee requests an accommodation that has not been preapproved by the Association, the examinee can either postpone the exam to another date OR take the exam without the requested accommodation. See page 32 for additional information on how to submit a request for exam accommodations or foreign language translation.

Examinees with Disabilities

The Association provides reasonable accommodations to individuals with disabilities following procedures that are consistent with the *Americans with Disabilities Act*, *Uniform Guidelines on Employee Selection Procedures* and the *Standards for Educational and Psychological Testing*. This includes alternate test formats (e.g., oral instead of written) and test aids (e.g., readers or large-print booklets).

Foreign Language Translations

An examinee with limited proficiency in English is permitted to hire and pay for a qualified interpreter to assist the proctor in administering the exam for a language that is not offered. The interpreter needs to be fluent in both English and the examinee's native language. The interpreter may have no personal relationship with the examinee. The interpreter also may not interpret subjective opinions or provide cues to the examinee. Examinees who want to use an interpreter must submit a *Request for Foreign Language Translation Form* prior to the exam date, listing the credentials of the interpreter. If the request is denied, an *Appeal Request Form* can be submitted within 30 days of the denial.

Examinees who want to take the exam in English are permitted to use a printed bilingual English-native language dictionary (e.g., English-Spanish) during the exam. Report the use of a dictionary in the Irregularities section of the *Exam Information Form* for print exams or on an *Irregularity Report* for Online Exams, and inspect the dictionary when the examinee checks in. English-language dictionaries are not allowed.

Exam Irregularities

If any of the irregularities described in this section occur during the exam, note them in the Irregularities section of the *Exam Information Form* for print exams or in an *Irregularity Report* for online exams. If you encounter an irregularity not listed here, please call the Service Center during business hours. If you encounter any irregularities outside of the Association's normal business hours, dismiss the examinee and contact the Association during regular business hours. Please do not take any action until you have heard back from a representative. Irregularity reports for online exams should be submitted by sending an email to ServiceCenter@restaurant.org with "*Irregularity Report*" in the subject line.

Time Allowances

Exam materials should be collected/returned after two hours from the start of the exam. Additional time may only be extended if an approved exam accommodation has been granted through the examination accommodation request process.

Cheating

If you are certain beyond a reasonable doubt that someone is cheating, you must notify the examinee(s) that he/she must stop the exam immediately. Collect the exam materials and inform the examinee that he/she will not receive a score and must collect his/her personal belongings (including photo IDs) and leave the exam location quietly.

Print Exam Collect the exam materials and write "VOID" in very large letters (preferably in black marker) across the examinee's exam answer sheet. Be sure to include the exam answer sheet and exam packet when you send the materials in for grading. Provide as much information as possible on the incident in the Irregularity Section of the *Exam Information Form*.

Online Exam Suspend the exam before or after requesting the examinee leave the exam location.

Defective Exam Materials (Print Exam Only)

If an exam booklet is defective, give the examinee a new exam packet with the same exam form number. The examinee may continue from where he/she has stopped. Write “Defective Material” on the cover with the nature and location of the defect and note the issue in the Irregularities section of the *Exam Information Form*.

If an examinee notices a translation error or typo, please note the exam form number and exam question that was found to be inaccurate on the *Exam Information Form* under the Irregularities section. Do NOT review the test question yourself. You can also report a translation error or typo by giving the examinee an Exam Comment Form to complete and submit. A copy of the form is provided in Appendix I.

Emergencies

Print Exam If an emergency occurs during testing (events over which you have no control—e.g., fire alarm, flood, storm, power failure) that prevents examinees from completing the exam, take appropriate measures to maintain security during the event.

When possible, the instructor/proctor should return to the exam location to ensure it still meets the standards for exam administration. If the location is deemed suitable and the instructor/proctor feels exam security was maintained, the examinees should return and continue with their exam.

Online Exam If an emergency occurs during testing (events over which you have no control—e.g., fire alarm, flood, storm, power failure) that prevents examinees from completing the exam, close the browsers and shut off the computers with the assistance of the examinees as quickly as possible. Ensure that everything has been shut down prior to leaving the exam location. Note this occurrence by submitting an *Irregularity Report*. **Online classes will automatically be graded 24 hours from when exam was started.**

When possible, the instructor/proctor should return to the exam location to ensure it still meets the standards for examination administration. If the location is deemed suitable and the instructor/proctor feels exam security was maintained, the examinees should return and continue with their exam. To resume the exam, follow the same process used to begin the session.

Illness

If an examinee becomes ill during the exam and must leave the exam location, he/she will not be allowed to return, and a retest will need to be scheduled for another time. The examinee will be eligible for a refund through the Association for his/her exam answer sheet or exam access code.

Print Exam If an examinee becomes ill during the exam, collect the examinee’s exam materials, and return his/her ID and personal belongings. Document this incident as an irregularity.

Online Exam If an examinee becomes ill during the exam, close his/her browser, and return his/her ID and personal belongings. Submit an *Irregularity Report* documenting this incident.

Intentional or Unintentional Disclosure of Test Items

Please note any instances that result in the disclosure of test items, by the examinee or proctor, on your *Exam Information Form* or by submitting an *Irregularity Report*.

Missing Exam(s) (Print Exam Only)

If you discover a secure exam packet is missing prior to the exam date, call the Service Center to report the incident. If you discover a secure exam packet is missing on the exam date and you believe it may have been taken by an examinee, take appropriate measures to assure it is returned before anyone leaves the exam location. If your efforts are unsuccessful, note the incident on the Exam Information Form under the Irregularity Report section and return the remaining exams. This is a security violation, and you will likely receive a survey inquiring about the incident. The exam answer sheets will not be graded until the secure exam packet is returned or the survey has been returned/reviewed.

Restroom Breaks

Only one examinee at a time may go to the restroom during the exam. Prior to the exam, ensure that examinees will not have access to personal effects should a restroom break be required. Ensure the examinee signs out on the *Examinee Entry/Exit Log* when he/she leaves, and signs back in upon return. If an examinee is gone for an extended period of time, record the incident as an irregularity.

Print Exam Collect the exam material before the individual leaves; return the same materials upon the person's return.

Online Exam Examinees should close the browser before leaving the room. Upon return, take the examinee back to the "Welcome Examinee" screen and have the examinee reenter the exam access code. You will then need to re-enter the proctor access code. Anything answered previously has been recorded. The examinee can then proceed to the question where he/she stopped.

Testing Policies and Recertification

Retest Policy

An examinee may take the exam twice within a 30-day period, if necessary. If three or more attempts are required, the examinee must wait at least 60 days from their last attempt. No more than four attempts are allowed in a 12-month period.

Not passing the exam is the only legitimate reason to retest.

For example: 1st attempt: June 1st, 2nd Attempt: June 2nd, 3rd Attempt: August 2nd, 4th Attempt: October 2nd..

Instructor and Proctor Test and Retest Policy

Instructors or individuals looking to become instructors or obtain dual role status must take the Instructor version of the exam to obtain a ServSafe Food Protection Manager Certification.

The Instructor version is a form of the ServSafe Food Protection Manager Certification Examination that is designated for use solely by those who intend to become or currently are instructors and need to obtain certification. This is intended to prevent exposure of identical exam items to both the instructor and the examinee. If a passing score of 75% is not obtained on the Instructor version of the exam, **the Instructor version must be retaken online.** Please follow the online exam instructions outlined in Section II of this document, page 16. If a passing score is not obtained the second time, the examinee may take the regular version of the ServSafe Food Protection Manager Certification Exam. If they take the regular version and pass, applicants will have to wait 90 days from their exam date before they can teach a class (they can still proctor an exam). If they take the regular version and fail, they will have to wait a year before they can retest.

Unless a proctor must have this certification as a requirement for a job, proctors should not take the exam. If the certification is a job requirement, the proctor must take the Instructor version of the exam. If a passing score is not obtained, the same retest policies as mentioned in the above paragraph will apply.

The Instructor version of the exam is ordered, proctored and administered to the same standards as all other ServSafe Food Protection Manager Certification Exams. It can be administered with other languages and versions of the exam. It must be proctored by a registered proctor and you cannot administer this exam to yourself or anyone who may pose a conflict of interest.

Examinee Recertification

If an examinee needs to recertify due to the Association's certificate expiration (five years), regulatory requirements, or company requirements; follow the recertification requirements provided by your local regulatory authority or company. The examinee is responsible for locating and paying a registered proctor to administer the exam to them. The Association recommends a review of the most current material prior to retaking the ServSafe Food Protection Manager Certification Exam.

National Restaurant Association Contact Information

Section II—Procedures

The following section is made up of How-To documents that detail the step-by-step procedures involved in preparing for and managing your ServSafe Food Protection Manager Certification Examination, in both print and online formats.

ServSafe® Food Safety Print Examination Administration

Receiving Exams

- Check to verify that contents of the package match information provided on the *Exam Information Form* and “Dear Proctor” letter.
- Contact the Service Center with any discrepancies, or if exam booklets are not received at least three business days prior to your exam date.
- Place exam packets in a secure place that only the proctor can access until the exam date. No one may review, discuss or copy the exam packet or administer the exam to themselves, or anyone that might pose a conflict of interest (e.g., a relative).

Setting Up Exam Location

- Ensure exam location standards are being met as detailed in the Exam Administration Handbook.
- There must be one instructor/proctor per every 35 examinees.
- Create and keep a seating chart for the exam date, and assign a seat for each examinee. Examinees may not select their own seats.
- Post the exam session number and four-digit exam form number in a visible place for all examinees. Information on how examinees can obtain their exam results and print their certificate will be included as part of their exam packets. A copy of this information can be found in **Appendix H**.
- Examinees must have the **exam session number** and create, or enter, an existing user ID and password to view results on the website. The Association is not authorized to release exam score/result information directly to examinees.
- Ensure you have sufficient blank answer sheets for examinees.

Examinee Check-In

- Have your *Read Before Exam Script* available to use.
- As you check in each examinee, collect a photo ID with signature (e.g., driver’s license, state ID, student ID, military ID, employee ID, U.S. green card, or valid passport), have examinee sign the *Examinee Entry/Exit Log* and verify ID for authenticity. **Note:** Photo ID is collected to ensure the return of all exam materials. This is a security measure meant to prevent the loss of exam materials and thereby maintain exam integrity.
- Close the exam site. If you are in possession of answer sheets, you may distribute them at this time.
- Have examinees clear their immediate area of everything but their answer sheet.
- If an examinee has their own answer sheet, inspect the answer sheet to ensure it is a valid ServSafe answer sheet. Submission of counterfeit answer sheets will result in processing delays for the entire exam session.
- Instruct examinees on how to complete their answer sheets based upon the *Read Before Exam Script* included as an attachment with your exam session confirmation email. A copy can also be found in Appendix D.

Distributing Exams

- Exam packets should be handed to seated examinees one at a time. Do NOT allow examinees to pass exam envelopes to one another.
- Inform examinees that they are not to open the exam packet until told to do so and that they must read and agree to the *Examinee Test Use Agreement*.
- If an examinee DOES NOT agree, they must return their exam package (unopened) to the proctor.
- Inform examinee(s) that they will have two hours to complete the exam unless they have an approved *Exam Accommodation*.
- Indicate that upon completion of the exam, the examinee must place the exam Packet back in the envelope so the exam number shows in the window, tear off the adhesive strip, and reseal.
- Once everyone has read and agreed to the *Examinee Test Use Agreement*, if there are no questions, they may begin the exam.

Monitoring the Exam

- Without disturbing examinees, take frequent walks around the exam location to observe for cheating and to ensure directions are being followed.
- Do not leave the room while the exam is in progress.

Collecting Exams and Examination Answer Sheets

- Examinees must approach the proctor one at a time to turn in the resealed exam packet and properly completed *Examination Answer Sheet*. **Note:** You may not alter, erase, or correct an examinee's *Examination Answer Sheet* yourself, as this is considered tampering, which is a security violation.
- After the exam packet and *Examination Answer Sheet* have been received, mark each examinee's name on the seating chart, have them sign out on the *Examinee Entry/Exit Log*, and return their photo ID.
- Do not place *Examination Answer Sheets* inside the exam envelope. Exam packets are destroyed upon receipt by the Association.

Note: You must ensure that no one looks at the exam materials after they have been collected. Place the collected materials away from examinees leaving the room and those still taking the exam, but still within your sight. Also, at no time should completed *Examination Answer Sheets* be placed inside an exam envelope. If an examinee's *Examination Answer Sheet* is submitted to the Association inside an exam envelope, the examinee will need to retest at your expense.

Returning Exams

- After all exam materials have been collected and all examinees have left the room, count the number of used *Examination Answer Sheets*. Record this number on the *Exam Information Form*.
- Note any irregularities in the Irregularities section of the *Exam Information Form*.
- Place used and unused exam envelopes in numerical order and count to ensure you have the same number originally received from the Association. **ALL** Exam Packets must be returned. Contact the Service Center with any discrepancies.
- Review and complete any necessary information (including additional proctor signatures) on the *Exam Information Form*, and make a copy of this for your files.

Doing so may subject you to severe civil and criminal penalties, including up to five years in prison and/or a \$250,000 fine for criminal violations.

Please listen to the following instructions carefully as the personal information portion of the answer sheet must be completed properly. Please use only capital letters and be sure to print clearly so that your information is recorded correctly.

- In the left upper space labeled **Last Name**, print your last name, one letter in each box. After doing so, print your first name in the right upper space labeled **First Name**. Darken in the corresponding circles below each letter.
- In the spaces labeled **Home Address, City, State, and ZIP or Postal Code**, please print your complete address.
- In the space labeled **Exam Form #**, please clearly print the four-digit examination form number (found on the upper right corner of your test booklet cover and on the test envelope).
- In the lower right corner is the field for the last four digits of your **Social Security Number**. **You may choose whether or not to provide this information as it is not a required field.**

- In the space at the bottom of the page labeled **Email Address**, please print your email address clearly. **It is very important that you provide your email address, as this will be the only way to access your certificate. Email addresses are mandatory. If you do not have an email address you will be able to request a copy of certificate be sent to you via mail for a nominal fee.**
- Please be sure to darken the appropriate circles regarding gender and country, and indicate if you are certifying for the first time, recertifying, or retesting,

Once you've completed the front of the answer sheet, turn it over and answer the questions on the top section. If you know your company ID, employee ID, or NRA student number, please provide that information in the spaces provided.

Make sure that the information you entered is accurate and also be certain that you have darkened the correct circles. If you do not know whether you entered your information properly, please raise your hand and I will assist you.

To record your answers to the test questions, darken the circle next to the letter of your choice and not the letter itself. If you do not completely fill the circle for your answer, it may be marked wrong. If you fill in more than one circle it will be marked incorrect. So it is important to darken only one circle for each response. Erasure marks should be completely erased. You are allowed to write in the Examination Booklet, but all responses must be transferred to the Exam Answer Sheet.

You may skip over questions that you wish to come back to later, but make sure you answer all questions before turning in your exam. If you have finished your exam and there is extra time, please review all items and go back to answer any questions that you may have skipped before submitting your completed exam to me.

You have two hours to complete this exam. If you have not completed the exam within the two hour timeframe, your answer sheet and exam booklet will be collected, even if you are not finished, unless you have been granted an exam accommodation.

Does anyone have any questions?

If there are no questions at this time, please read the *Examinee Test Use Agreement* on the envelope. You must agree to this before opening the envelope and removing the exam booklet. If you do not agree to the *Examinee Test Use Agreement*, please raise your hand and I will pick your exam up from you. If you agree to the *Examinee Test Use Agreement*, turn the envelope over and pull the perforated strip on the sealed portion of the flap to open the envelope. Remove the green sheet of paper and write down the 7-digit exam session number I've given you in the space indicated. You will need this exam session number in order to view and print your certificate on the ServSafe website. Once you've written down the exam session number, return the sheet to your proctor. It will be returned to you along with your ID once you've completed the exam.

Once you have completed your exam, place your exam booklet back in the envelope so that the exam form number shows in the window, tear off the adhesive strip, and reseal it. Do not seal your answer sheet inside of the exam booklet or envelope. If you seal your answer sheet inside the envelope your exam will not be scored and you will need to retest at your own expense.

Please approach me one at a time and turn in your sealed envelope and completed answer sheet. Your ID and green sheet will be returned to you at this time. Please leave quietly as there may be people still be taking the exam.

Are there any final questions?

Good luck! You may now begin your exam.
